

# 2016 DIGEST NORTH AMERICA CONTINENTIAL ACE AWARDS

*The Digest is proud to announce the highest level of racing pigeon awards for outstanding performances in North America. Those who win AU, IF or CU awards only win those awards against other members of their organizations. The Digest Ace Loft and Bird Awards are the only award series where members of the AU, IF and CU compete against members of all three organizations under a uniform set of rules and calculations.*

(Preliminary Results to be final on June 1, 2017 pending challenges)

## 2016 DIGEST GRAND CHAMPION ACE LOFTS

This award is given to the lofts which have shown high achievement by winning ACE Loft Awards in BOTH old bird and young bird racing.

**1. Honorable Mention: Robert Bankard, Sykesville, MD, United Pigeon Combine**

The United Pigeon Combine has a 3 bird clocking limit, therefore a clocking limit penalty has been applied to the race sheet positions that Mr. Bankard had on the race sheet, so it is impossible to determine the bird's actual earned position in the race. Unfortunately, with the penalties applied, this loft fell below the minimum scores to win an Ace Loft Award, but the record was still noteworthy.

**Honorable Mention:** AU 13 CVF 231 BB COCK flown by Tom Murphy, Fairfield, PA, bred by Robert Bankard, Sykesville, MD, was flown in the United Pigeon Combine. The United Pigeon Combine has a 3 bird clocking limit, therefore a clocking limit penalty has been applied to the race sheet positions that 231 had on the race sheet, so it is impossible to determine the bird’s actual earned position in the race. Unfortunately, with the penalties applied, this bird fell below the minimum scores to win an Ace Bird Award, but the record was still very noteworthy.

**Honorable Mention: AU 13 VG 374 BB HEN “MISS SIERRA” flown by Steve Miner, Van Gruen Loft, Bonita, CA, South Section of the 395 had a spectacular record but because of mixed results could not qualify for an Ace Award.**
