

# 2017 DIGEST NORTH AMERICA CONTINENTIAL ACE AWARDS

*The Digest is proud to announce the highest level of racing pigeon awards for outstanding performances in North America. Those who win AU, IF or CU awards only win those awards against other members of their organizations. The Digest Ace Loft and Bird Awards are the only award series where members of the AU, IF and CU compete against members of all three organizations under a uniform set of rules and calculations.*

(Preliminary Results to be final on June 1, 2017 pending challenges)

The Erie Racing Pigeon Club has a 5 bird clocking limit, therefore a clocking limit penalty has been applied to the race sheet positions that Mr. Romanski had on the race sheet, so it is impossible to determine the bird's actual earned position in the race. Unfortunately, with the penalties applied, this loft fell one race below to qualify for an Ace Loft Award, but the record was still noteworthy.

**Honorable Mention: Li Mi Shi, Erie, PA Erie Racing Pigeon Club.**
